# THE OFFERING

## THE OPPORTUNITY

The Zupancic Group of Marcus & Millichap, as the exclusive listing agent approved by the United States Bankruptcy Court for the District of Columbia, is pleased to present the exclusive offering of 920 Madison Street NW, a 14-unit multifamily asset located in the rapidly-evolving neighborhood of Brightwood Park in Northwest DC. The sale is subject to a Chapter 11 Bankruptcy process, offering investors a rare opportunity to acquire a property free from the Tenant Opportunity to Purchase Act (TOPA) process due to the property's bankruptcy status. This exemption is granted under §42-3404.02 of DC code. This property provides a unique chance for an investor to acquire a well-located multifamily asset with significant upside.

## THE ASSET

920 Madison Street NW is an 11,466-square-foot multifamily asset in the heart of Brightwood Park. The asset features a strong unit mix for significant rental revenue potential with a mix of 2 one-bedroom and 12 two-bedroom units. The one-bedroom units are 650 SF and their rental average is currently 38% below the market average of \$1,655. Similarly, the two-bedroom units are 750 SF and their rental average is 42% below the market rent of \$2,138. This presents an upside for an investor to increase rents over the ownership period by performing renovations and renting to market or Housing Choice Voucher Program tenants. Additionally, the property is already fully occupied, so an investor can receive rental income while working to increase revenue and operating efficiencies. Once stabilized, the property has the potential to produce \$347,592 in gross rental revenue. Ultimately, the property has the potential to generate significant cash flow as an investor can capture rent growth and market demand as the area continues to develop.

## THE LOCATION

The property is located in Brightwood Park in the upper Northwest submarket of Washington, DC. Presently, there are 1,400 units under construction between Brightwood and Fort Totten and an additional 8,300 units in the development pipeline. The nearby Parks at Walter Reed is undergoing an over \$1 billion redevelopment, which will deliver roughly 3.1 million square feet of mixed-use development including 2,200 housing units, 130,000 square feet of retail, office space, and ambulatory care. Notably, the 47,000-square-foot Whole Foods Market at the Parks at Walter Reed recently opened in 2023, along with Jinya Ramen Bar and Starbucks. These openings add to existing neighborhood amenities like Safeway, CVS Pharmacy, and Walmart Supercenter on Georgia Avenue, which is less than a ten-minute walk from the property. The property is also located just two blocks from the Kennedy Street commercial corridor, which has recently been a hotspot for mixed-use development.

# INVESTMENT HIGHLIGHTS

920 MADISON STREET NW PRESENTS AN INVESTOR WITH THE UNIQUE OPPORTUNITY TO ACQUIRE A FULLY STABILIZED MULTIFAMILY ASSET EXEMPT FROM TOPA REGULATIONS. CONVENIENTLY LOCATED NEAR THE \$1 BILLION PARKS AT WALTER REED REDEVELOPMENT AND THE REVITALIZING KENNEDY STREET CORRIDOR, THE PROPERTY BENEFITS FROM STRONG ECONOMIC GROWTH AND INCREASING TENANT DEMAND. THE CHAPTER 11 BANKRUPTCY SALE STRUCTURE FURTHER ENHANCES THE APPEAL BY OFFERING A STREAMLINED ACQUISITION PROCESS.

## UNIT MIX

The property features a favorable unit mix that aligns with the demand for housing in this submarket, with a balanced distribution of unit sizes and configurations. This mix is particularly attractive to a diverse pool of renters, including professionals, families, and students. Its strategic design supports both affordability and market-driven rental rates, catering to a broad spectrum of potential tenants.

## VALUE ADD

This asset provides a compelling value-add opportunity through physical upgrades, rent increases, and the potential to expand rentable square footage. Renovating the property can increase the potential to achieve the high-end of market rents while improving operational efficiencies. Additionally, optimizing the space and enhancing amenities could lead to significant rent growth and long-term financial returns.

## RECENT CAPITAL EXPENDITURES

Upgrades made to infrastructure like the boiler are increasing its operational efficiency and long-term value. These recent capital expenditures will limit day one costs for a new owner.

## LOCATED NEAR SIGNIFICANT DEVELOPMENT

The property is conveniently located near the \$1 billion redevelopment project at the Parks at Walter Reed, which is expected to transform the surrounding area. In addition, the nearby Kennedy Street commercial corridor is undergoing rapid revitalization, driving growth and demand for housing in the area. This proximity to major development projects positions the property for long-term value appreciation as the area becomes more attractive to residents and businesses.

## NOT SUBJECT TO TOPA

Per DC Code 42-3404.02, an investor has the opportunity to acquire the property without being subject to TOPA as part of the bankruptcy exemption. This provides a streamlined acquisition process for investors, avoiding the complexities and delays often associated with the TOPA process.

## CHAPTER 11 BANKRUPTCY SALE

The property is subject to the rules and procedures of federal bankruptcy law. The bankruptcy process may facilitate faster closing times, reducing the investor's exposure to market fluctuations and increasing the likelihood of a smooth transaction. Additionally, this process allows for greater flexibility in structuring the deal.

### NEIGHBORHOOD OVERVIEW

Brightwood Park is a vibrant neighborhood nestled between Fort Totten, Petworth, Rock Creek Park, and the Walter Reed Campus, which is undergoing a major \$1 billion redevelopment. ### RAPIDLY DEVELOPING NEIGHBORHOOD

A clear sign that Brightwood is on the rise is the arrival of major retailers, like the 47,000-square-foot Whole Foods Market that opened in 2023. Retailers like Whole Foods will expand the area's retail options, boost demand for multifamily rentals, and increase property values for owners. Residents also enjoy walking distance to supermarkets, dining, shopping, and entertainment, with nearby areas like Takoma, Petworth, and Silver Spring offering even more options.
